OFFICE OF LEGISLATIVE COUNSEL

Thursday - 11 June 1970

- 25X1 1. [] Met with Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, who told me that due to the press of business on the floor today the Committee did not get to the agenda item concerning procedures for handling the Foreign Service nominee list. He does not know when it will be scheduled again. Mr. Kuhl, however, will keep me advised.
- 25X1 2. [] Met with Miss Barbara Meinen, Assistant to Representative Donald E. Lukens (R., Ohio), in response to the Representative's transmittal note of 10 June concerning a constituent request for information about "a Communist Chinese training camp located in Newark, Ohio." Miss Meinen will refer the matter to the Federal Bureau of Investigation. No further Agency action is required.
- 25X1 3. [] Received a call from Mrs. Eddymarie McCoy, Caseworker for Senator Alan Cranston (D., Calif.), concerning employment opportunities for a 53 year old retired Air Force technician. I told Mrs. McCoy that if it would be of help to the Senator we would be pleased to process the application, but that prospects for employment of such an individual are not good. She thanked me for the advice and said she would not forward the application to us.
- 25X1 4. [] Met with Mr. James Wilson, House Committee of Science and Astronautics staff, and brought him up to date on the Soyuz 9 mission.

25X1 12. [] Met with Mr. James Wilson, House Science and Astronautics Committee staff, and brought him up to date on the Soyuz 9 launch. Mr. Wilson indicated that nothing has been heard from the West Coast on the Chairman's primary race, but it is not expected that he will have any difficulty.

25X1 13. [] Met with Mr. Edward Hugler, House Committee on Post Office and Civil Service, Subcommittee on Manpower and Civil Service staff, concerning S. 782. Mr. Hugler indicated that he is just getting into last year's files. He will pull a copy of Chairman Rivers' letter to the Committee of last year for our files as soon as he locates it in his review.

25X1 14. [] In response to his call I met with Mr. John Reddan, Counsel, House Armed Services My Lai Investigation Subcommittee. Mr. Reddan told me the Committee hopes to wind up hearings during the week next week and had requested that Lt. Gen. Robert E. Cushman meet with the Committee on Tuesday afternoon, 9 June, at 2:00 p.m. with regard to his knowledge of the My Lai incident in his capacity of Marine Commander III Corps area. He advised that the meeting would be in executive session, that the transcript would be classified, and that the transcripts are not allowed out of the Committee room, correction or review by witnesses or their attorney being allowed only in the Committee offices. Mr. Reddan told me that the Committee plans to finish with testimony by Mr. Helms and by General Westmoreland. I questioned the relevance of testimony by Mr. Helms and asked Mr. Reddan if he would recheck the request for Mr. Helms' appearance with Chairman Hebert. After discussion, Mr. Reddan agreed that he would do so. I thanked him for his consideration.

25X1A

25X1 15. [] In light of the above item, [] and I met with Messrs. Slatinshek and Blandford to register our objection to the Director's being drawn into the My Lai controversy after having already testified before the Agency Subcommittee that he had no knowledge of the My Lai affair. Blandford agreed and called Reddan, whom he instructed that the Director should not be called by the My Lai Subcommittee.
